ARTICLE I. INTRODUCTION

SECTION 1-01: Purpose

(a) The purpose of the Resource Family Approval Program is to implement a unified, family-friendly, and child-centered resource family approval process to replace the existing multiple processes for licensing foster family homes and approving relatives and non-relative extended family members as foster care providers, and approving families for legal guardianship or adoption.

(b) A Resource Family shall be considered eligible to provide foster care for related and unrelated children in out-of-home placement, shall be considered and approved for adoption or legal guardianship, and shall not have to undergo any additional approval or licensure.

SECTION 1-02: Authority

(a) Federal Authority. Title IV-E, Section 471(a)(10) of the Social Security Act requires that the state of California establish a state authority responsible for establishing and maintaining standards for foster family homes and child care institutions which are reasonably in accord with recommended standards of national organizations concerned with standards for these institutions or homes, including standards related to admission policies, safety, sanitation, and protection of civil rights.

(b) State Authority. Welfare and Institutions Code section 16519.5 requires the California Department of Social Services, in consultation with county child welfare agencies, foster parent associations, and other interested community parties, to implement a unified, family friendly, and child-centered resource family approval process to replace the existing multiple processes for licensing foster family homes and approving relatives and non-relative extended family members as foster care providers, guardians and approving adoptive families. (Added by Stats. 2007, c. 464 (A.B. 340), § 3. Amended by Stats. 2011, c. 32 (A.B. 106), § 69, eff. June 29, 2011; Stats. 2012, c. 35 (S.B. 1013), § 136, eff. SECTION 1-03: Interstate Compact on Placement of Children

(a) The Interstate Compact on Placement of Children (ICPC) is set forth in the Family Code commencing with Section 7900 et seq. and hereby adopted and entered into with all other
jurisdictions joining therein. It further designates the California Department of Social Services as the “appropriate public authority” responsible for administration of ICPC.

(b) The ICPC is a contract among member states and U.S. territories authorizing them to work together to ensure that children who are placed across state lines for foster care or adoption receive adequate protection and support services. The ICPC establishes procedures for the placement of children and fixes the responsibility for agencies and individuals involved in placing children.

(c) Nothing herein shall supersede any timelines, requirements, or provisions set forth by Family Code section 7900 et seq, MPP 31-510, or regulations adopted by the Association of Administrators of the Interstate on the Placement of Children (AAICPC).

SECTION 1-04: Tribally Approved Homes
