

Transitional Independent Living Plan (TILP)

Each participant in THP-Plus will utilize a STEP/THP-Plus TILP which describes the educational/vocational, or other goals related to self-sufficiency mutually agreed upon by the youth and the county welfare or probation department or independent living program coordinator. The youth must be participating in the activities identified in the STEP/THP-Plus TILP. The form shall be up-dated at least annually. Participants are responsible for informing the county whenever changes occur that affect payment of aid, including changes in address, living circumstances, educational, career, and training programs.
